The bandwidth of 8 MBPS extendable up-to 35 MBPS is available.

Internet facility is made available to the faculty, students and staff on the campus through standalone nodes and Wi-Fi facility. The internet facility is also available to all laboratories, classrooms, office, all departments, hostels. Although unlimited access is made available to faculty, staffs and students, traffic is monitored through the state-of-the-art “Fortinet” firewall. If any misuse of the bandwidth is observed, then necessary action is taken by banning the particular sites through firewall and also secured with the licensed antivirus.

8. DEPARTMENT PROFILES:

Electrical Engineering

The Electrical Engineering Department aims to provide quality education both in the theory and experiments so that the students of this department can stand apart in the technical scenario of the country. Because of the infancy of the institute, the necessary laboratory facilities are underway. The department plans to have well equipped laboratories where the students can imbibe adequate practical knowledge.

The H.O.D of this Department is Dr. Debi Prasad Dash

Computer Science & Engineering

Department of Computer Science & Engineering is started in the year of 2009 to cater the needs of the Western Odisha region. The department offers students an undergraduate program which is affiliated to Biju Patnaik University of Technology (BPUT), Rourkela. Here the students gain breadth and depth of knowledge in a multitude of computing specialities and are well prepared for industry positions as well as academic positions. The Bachelor of Engineering Programme in Computer Science & Engineering commenced from the academic year 2009-10. The current student intake capacity is 60. The department is continuously trying to improve the programme delivery to keep our graduates competitive in
