• IT Infrastructure

The institute has created the facility of campus wide networking project costing Rs. 39 Lacks. through funding of TEQIP project inclusive of BSNL for 3 years. In this project, the state-of-art network of 2 Km OFC, 100 wired nodes and 10 Wi-Fi points through PoE/Non-PoE switches with double level redundancy. The bandwidth of 8 MBPS extendable up-to 35 MBPS is available.

Internet facility is made available to the faculty, students and staff on the campus through standalone nodes and Wi-Fi facility. The internet facility is also available to all laboratories, classrooms, office, all departments, hostels. Although unlimited access is made available to faculty, staffs and students, traffic is monitored through the state-of-the-art “Fortinet” firewall. If any misuse of the bandwidth is observed, then necessary action is taken by banning the particular sites through firewall and also secured with the licensed antivirus.

8. DEPARTMENT PROFILES:

Electrical Engineering

The Electrical Engineering Department aims to provide quality education both in the theory and experiments so that the students of this department can stand apart in the technical scenario of the country. Because of the infancy of the institute, the necessary laboratory facilities are underway. The department plans to have well equipped laboratories where the students can imbibe adequate practical knowledge.

The H.O.D of this Department is Dr. Debi Prasad Dash

Computer Science & Engineering

Department of Computer Science & Engineering is started in the year of 2009 to cater the needs of the Western Odisha region. The department offers students an undergraduate program which is affiliated to Biju Patnaik University of Technology (BPUT), Rourkela. Here the students gain breadth and depth of knowledge in a multitude of computing specialities and are well prepared for industry positions as well as academic positions. The Bachelor of Engineering Programme in Computer Science & Engineering commenced from

the academic year 2009-10. The current student intake capacity is 60. The department is continuously trying to improve the programme delivery to keep our graduates competitive in the job market. The department is known for its excellent results. There are seven well-equipped laboratories in the department. After graduation, the department continues to enjoy strong interaction and support from the alumni. The Faculty consists of Head of the Department and Assistant Professors.

Our dedicated faculty, who not only strive to excel in the classrooms but also are always there to help the students. The department has enthusiastic faculty members who provide expertise in their areas of interests which are major areas of Computer Science & Engineering.

Department of Basic Science

This department comprises of faculty of following streams:

- ◆ Mathematics
- ◆ Physics
- ◆ Chemistry

Physics

This department caters to the subjects in the 1st and 2nd year B.Tech. A well equipped laboratory is now being set up to acquaint the students to the basic physics experiments. Besides teaching the faculties are involved actively in research.

Chemistry

This department undertakes the teaching of the relevant subjects in the 1st and 2nd year B.Tech and a some specialised portions in the higher classes. The department sets up a well equipped laboratory as per the requirements of B.Tech programmes. Besides teaching the faculties are involved actively in research.

Mathematics

The department undertakes the teaching of Mathematics to the B.Tech students of the Institute and takes care in active research.

The H.O.D of this Department is

Dr. C.R.Dash (M.Sc. PhD, Associate Prof. Mathematics)

Department of Humanities

This department has three different subareas in English, Economics and Management to cater to the relevant subjects in all the years of B.Tech Programme. The department has a
